Hi Susanna- This is NPCD-reviewed and ready for the OPPT IO. One caveat is that OGC has not been able to sign-off yet, with our OGC staff person on leave this afternoon. So, that will still need to happen (said he can do it Monday) and might be something that can happen further in the process, prior to release. Linda has initially reviewed. I know she was interested in having Alex look at it over the weekend, if possible.

Thanks!

-Robert

Got it, thanks. I believe Susanna is covering for Alison so just send to her after NPCD signs off.
